

REAF'S SHINING STAR CAMPAIGN

You can be a Shining Star in the fight against AIDS. Funds raised through REAF's Shining Star Campaign enable us to ensure financial assistance to agencies providing direct services to the San Francisco Bay Area's AIDS community; offset operating costs of the foundation; promote awareness about the AIDS pandemic as well as the services provided by local agencies; support advocacy that affects public policy, education for the prevention of, and research for a cure to AIDS/HIV; and provide small grants to agencies not designated as beneficiaries of major annual events.

Stretch your dollars further with monthly, bi-monthly or quarterly giving

Giving with this program makes it easier to participate at higher levels, giving more power to the fight against AIDS. Choose the format that best fits your situation. We'll automatically charge your credit card account in the increments you choose.
